WAVES

F.A.Q.'s

► Is the program really unlimited?

Yes! As a member, you can come in as often as you'd like, even multiple times in the same day. In fact, the record for visits is 28 times in one month! Most members use it about once or twice a week.

► Is it safe to wash your car all the time?

Yes! Waves Car Wash tunnel is a light touch brushless car wash. Each time you wash your car with our Extreme Wash, your car is treated with three coats of wax (Rain-X®, Sealer Wax, and Triple Foam Wax) giving your car an additional three layers of protection.

► Do I get a discount on detailing?

Yes! We offer members \$30 off a complete express detail.*

► What if I have more than one vehicle?

We discount \$10 off each additional car signed up on the same credit card for members of the same household. Your entire family deserves to have as clean a car as yours.

► Do you close in the winter?

No! Winter is the best time to wash your car. The salt on the roads eats into your vehicle's paint and contributes to a decreased life of your car. We do close during snow storms and when it is raining.

► Do I have to use a credit card?

No! You can prepay for a minimum of three months at a time by cash or check.

► Do I pay the cancellation fee if I move?

If you move more than 10 miles away from Waves Car Wash, we will waive any cancellation fee. You must show proof of change of address.
